

## **DANIEL J. WILCOX CAMP HOPE AMERICA UPDATE JUNE 2019**

The Daniel J. Wilcox Camp Hope Fund recently donated \$20,000 to the Jersey Battered Women's Services [JBWS] in continued support of their sleepaway camp. On Wednesday, Gretchen S. Wilcox and her children, Bridget and Wesley, presented the check to JBWS President Diane Williams at their family office in Morristown, New Jersey.

2019 marks the third year of Daniel J. Wilcox Camp Hope and this contribution will ensure that nearly twenty campers have the opportunity to attend camp free of charge. Campers will develop leadership skills, discover new passions and learn about others who overcame adversity.

The Wilcox Family is proud to support these efforts in honor of husband and father, Daniel J. Wilcox, who shared a passion for helping children suffering from domestic violence. They extend their deepest thanks to you for your support of Daniel J. Wilcox Camp Hope and ask you to please mark your calendars for another fundraising event in April 2020. More details to be announced this fall.
